

All the comforts of home.

Bantam BioHeat

A greener, cleaner, better choice.

We were the first supplier in northwest Connecticut to offer it. Now it's the only heating oil we deliver, because it's better for your home and better for the planet. Bantam BioHeat is a blend of biodiesel and our premium home heating oil. It burns cleaner, at a higher efficiency with fewer emissions. It also uses renewable resources, reducing our dependence on foreign oil. Since there's no extra cost, we provide it at the same great pricing you're used to. Plus, we offer a winter Price Cap! So switch to the greener, cleaner, smarter choice today.

Guaranteed supply

With Reliable Automatic Delivery of Bantam BioHeat, you'll never run out. We have our own fuel storage facilities, so we can guarantee a steady supply for all our customers. We also offer guaranteed delivery of propane and diesel.

Expert emergency service

When you need help, we're right there. Day or night, 24/7, all you need to do is call to get help from our licensed specialists. For expert home heating, AC, or other service, you know who to call: Bantam Fuel.

Price protection

In addition to our great, low pricing, we give you several ways to help keep your fuel costs down. Our heating oil Price Cap matches falling prices and protects you from spikes – the best of both worlds! Our Preferred Payment Plan lets you make level monthly payments for smarter budgeting. And our Quick Pay discount is always a sweet deal. The bottom line? We give you the best possible fuel at the best possible price.

For all your needs, all year long.

Environmentally responsible air conditioning

Bantam Fuel does more than keep you warm. When summer heats up, we'll keep you cool too. We provide expert AC sales, installation and service. And all our AC work is based on environmentally friendly standards. We're committed to reclaiming and recycling refrigerants to protect the environment and conserve natural resources. We can help you select an environmentally friendly, energy-efficient system that meets your needs and beats the heat!

Heating systems, hot water and more

New equipment saves you money and improves your comfort. We install furnaces, boilers, water heaters, space heaters, pool heaters and more. Whether you need a new 90+% efficient furnace, a new boiler, or a high-efficiency propane or tankless water heater, count on us for equipment selection and expert installation. We can even review your heating system and storage tank for safety, efficiency and conservation – free of charge!

Fuel tank removal & replacement

Older underground storage tanks can present major environmental hazards. We can help. Bantam Fuel can remove your old underground tank, install a new one, test the soil, re-seed the lawn, and give you a full report. We're a registered contractor with the Connecticut Underground Storage Tank Program.

Heating system service plans

Want peace of mind? Get a Bantam Fuel Service Plan. Your system will have an annual tune-up, and every part of your heating system will be covered anytime – nights, weekends, or holidays – at no extra charge.

Propane

Propane is great for your stove, water heater, furnace, pool heater, clothes dryer, or gas fireplace... even your generator! Bantam Fuel can hook you up with our reliable, never-run-out propane delivery. We also offer safe, reliable installation of all tanks and piping.

Discounts on gas and diesel fuel

When you sign up for Automatic Delivery of Bantam BioHeat, you'll earn a 5¢ per gallon discount on gasoline and diesel purchased at our Bantam Fuel Mart, on Route 202 in Litchfield. Nice!

Put Bantam Fuel to work for you
